ICC has Solutions for Computer Tables!

It's hard to be productive if you're not connected. Computer tables with the Connect2 power solution by Interior Concepts meet your needs head on with an economical power solution that's easy to specify, install, and reconfigure. Tables with modesty panels adapt to changing needs by managing power and data cables with an under-worksurface cable trough that discreetly channels cords from table to table.

Contact your Regional Sales manager today to see how we can help design your perfect computer table.
