

CAMPFIRE CART & CUSHIONS

Get comfortable and gather around the campfire! Our Campfire cart is a great addition to classrooms with smaller children. The cushions are comfortable for students to lounge on while listening to storytime or show-and-tell.

The Campfire cart is sturdy enough for adults to sit on, and the lockable casters allow it to stay in one place. These mobile carts can hold up to 12 cushions, and move around the room with ease.
