

TEACHER DESKS

As teaching methods have evolved beyond the standard classroom with students in desks and teachers lecturing, so has the educational furniture in order to incorporate group learning, flexible classrooms, and increased teacher/student interaction. With over 20 years of experience delivering quality educational solutions, our furniture has adapted to meet these 21st century demands — yet still look great and withstand years of use.

We will work with you to design a solution that meets everyone's criteria, different needs, and teaching styles. By working together, we ensure that your instructors receive exactly what works best for their environments. Pair any desk with the Influence adjustable podium to allow users to opt how to use the table seated for meeting with a small group, or standing while facilitating a presentation.
