## ICC has Solutions for Panel Walls!

Panel walls may appear complex, but we make the complex simple. Interior Concepts offers panel walls that fit a range of heights, widths, and layout arrangements. Shorter panels work well for reception areas with transaction counters while full height panels function best creating partitioned rooms and private offices with full height doors.

**Panel Walls are available with Laminate, TFL, Markerboard, Acrylic or Tackable Panels!**

- Contact your Regional Sales Manager today to see how we can help design your perfect panel wall today.

## ICC has Solutions for Computer Tables!

It's hard to be productive if you're not connected. Computer tables with the Connect2 power solution by Interior Concepts will meet your needs head on with an economical power solution that's easy to specify, install, and reconfigure. Tables with modesty panels adapt to changing needs by managing power and data cables with an under-worksurface cable trough that discreetly channels cords from table to table.

- Contact your Regional Sales Manager today to see how we can help design your perfect computer table.
