

TRAVELER DESK

The Traveler mobile desk by Interior Concepts will satisfy a variety of needs in the educational environment. Use the Traveler as a teacher desk that is free to move about for lectures or as an additional workstation for classroom demonstrations. Like all other Interior Concepts products, the Traveler can be configured to meet specific requirements.

FEATURES

- Optional Accessories: Locking storage drawers, hanging pedestals, valet cabinet, power
- Locking Casters
- 1.25" thick worksurface with HPL laminate, balancing-backer sheet, and 3MM edge
- MAS® Certified Green
- Limited lifetime warranty
- Made in the USA

CHECKOUT / SECURITY TRAVELER

Need a mobile check in station for events, cafeterias, or security personnel? The Checkout and Security Traveler offers additional flexibility outside of the classroom with the same great features as the standard Traveler. Additional locking cabinets and drawers can be added to keep items secured.
