MEDIA CURVES

The Media Curve workstation by Interior Concepts has the perfect mix of design, durability, and function for labs and common areas. Units can be sitting or stool/standing height, both offer a great landing spot for people to gather. Select from many standard designs — including those equipped with casters, locking storage, tote drawer storage or power — or customize the workstation to fit your needs. A wide variety of finishes are also available to create a coordinated look throughout the campus.

FEATURES:

- Standard Sizes
 - Half: 24" D x 48" W or 30" D x 60" W; 29" or 38" H
 - Split: 48" D x 48" W or 60" D x 60" W; 29" or 38" H
 - Full: 48" D x 48" W or 60" D x 60" W; 29" or 38" H
- 1.25" thick worksurface with HPL laminate and 3MM edge
- MAS® Certified Green
- Limited lifetime warranty
- Made in the USA

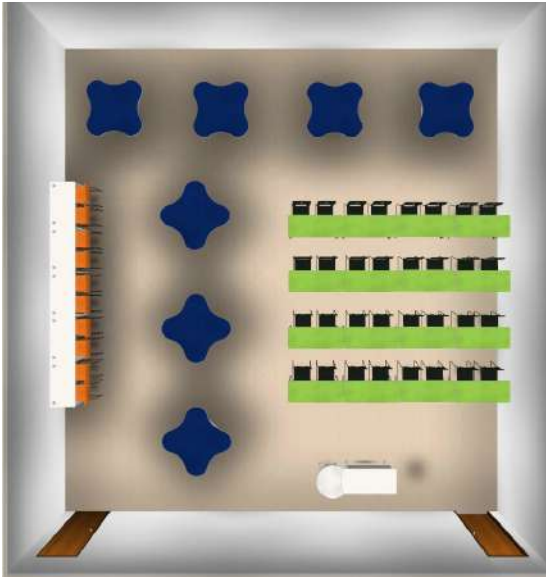

OPTIONS:

- Laminate or whiteboard worksurface
- Glides or heavy-duty casters
- Open storage shelf with lower storage cabinet (two doors)
- One full cabinet with adjustable storage shelf (two doors)
- Storage cabinets with/without locking doors (lock cores can be matched or unique)
- Spill-resistant power/data desktop outlet
- Tote drawer storage
- Numerous color options

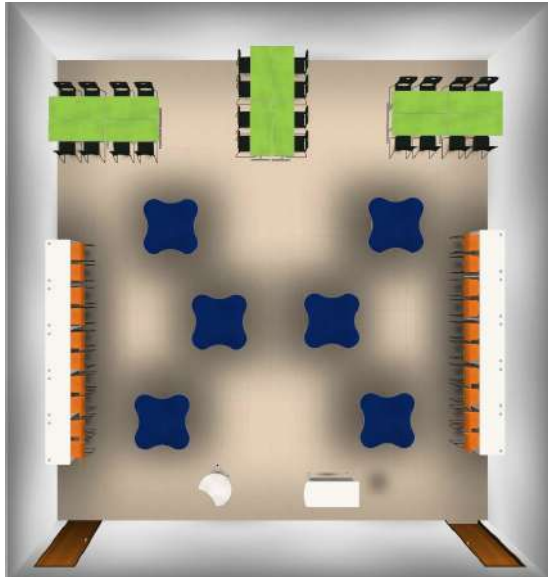

Choose from one of our standard Media Curves or talk with your Sales Rep to build a custom solution that fits your needs.

Stations are also available with Laminate Panels and TRESPA worksurfaces!

Contact your Regional Sales Manager today to see how we can help design your perfect station.

TECH LAB CARTS

Lab and technology spaces often need durable workbenches that can accommodate heavy, large, or messy experiments and equipment. Topped with a non-reactive maple butcher block, our carts will withstand the demands of any workshop environment for years. Built-in lower storage also simplifies equipment or supply storage — one side features a locking cabinet and the other an open cubby with adjustable shelf. To allow carts to be grouped for even larger worktops, or easily moved for cleanup, heavy-duty locking casters are standard.

FEATURES:

- Standard Sizes
 - 36" D x 48" W; 29" H or 38" H
 - 30", 36" or 48" D x 72" W; 29" H or 38" H
 - 30", 36" or 48" D x 84" W; 29" H or 38" H
- Locking storage cabinet (lock cores can be matched)
- Adjustable storage shelf
- Heavy-duty locking casters
- Limited lifetime warranty
- MAS® Certified Green
- Made in the USA

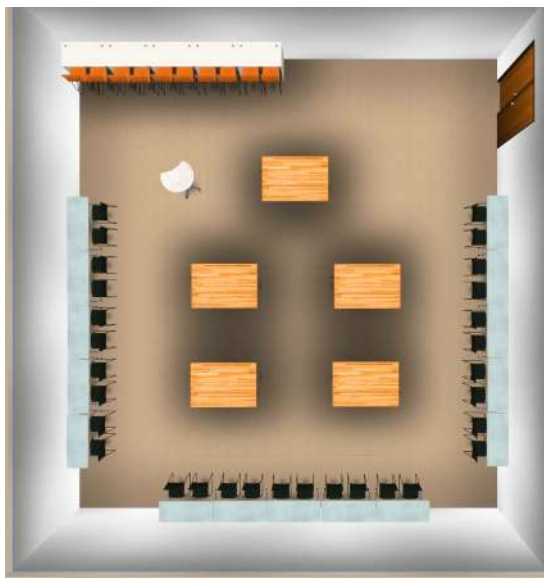

OPTIONS:

- Worksurfaces
 - Laminate
 - Maple Butcher Block
 - Markerboard
 - Trespa
 - Stainless Steel (limited sizes)
- Tote storage (limited sizes)
- Spill-resistant power/data desktop outlet
- Under worksurface magnetic stool storage

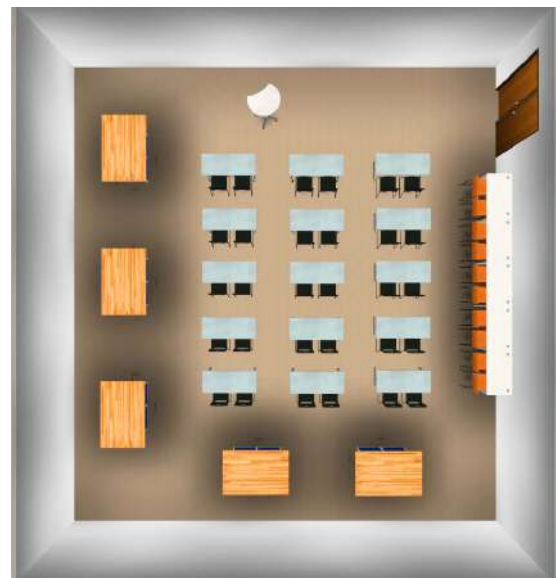

Choose from one of our standard Tech Lab Carts, or talk with your Sales Rep to build a custom solution that fits your needs.

MAGNETIC STOOLS

This is our all-in-one stool combination to make your STEM/STEAM, makerspace, and CTE labs complete. Our new stool has a magnetic connection strong enough to keep your stools from falling, but allows you to disconnect simply with one hand. By adding this feature, you get everything our traditional products offer with an added bonus!

FEATURES:

- Overall stool dimensions
 - 15.75"W x 15.75"D x 24"H
- Stool seat size
 - 12"W x 12"D
- Stool weight: 8.75 lbs
- Available in silver only
- Use with a variety of products
 - Tech Carts
 - Media Curves
 - Rectangle Tables
 - Heavy Duty Tables
- Requires 10" worksurface overhang
- MAS® Certified Green

Use our magentic stools on a variety of stations to fit your needs!

ROBOTICS IN EDUCATION

INTERIOR CONCEPTS OFFERS A VARIETY OF STATIONS TO MEET YOUR ROBOTICS CLASSROOM NEEDS.

Contact your Regional Sales Manager today to see how we can help design your perfect station.

LEGO® CARTS

Take your CTE lab to the next level with our mobile LEGO® Cart! This heavy-duty cart features a 6" tall panel around the edge to keep the legos contained and less falling on the floor. Keep your LEGO® in one place with various storage options below, and customize the overall dimensions to fit your space perfectly.

Pair the LEGO® Cart with our other high-quality furniture to equip students for a successful education!

FEATURES:

- Heavy-duty locking casters
- 6" tall panel around edge
- MAS® Certified Green
- Limited lifetime warranty
- Made in the USA

OPTIONS:

- Customizable dimensions in 1" increments
- Base Storage
 - Locking storage cabinet
 - Open shelves
 - Tote trays
- Numerous color options

▶ ROBOTICS RINGS

Does your classroom have robots going out of bounds?

Interior Concepts offers a Robotics Ring to contain your robots. Whether it's for simply testing robots or taking them to battle the Robotics Ring gives kids a designated space to learn and play at the same time.

FEATURES:

- 6" tall acrylic panel
- MAS® Certified Green
- Limited lifetime warranty
- Made in the USA

OPTIONS:

- Customizable dimensions in 1" increments
- Also available in TFL or Laminate panels
- Numerous color options

CNC CARTS

Take your CTE lab to the next level with our mobile CNC Cart! This heavy-duty cart features an acrylic sliding door surround to keep dust and debris contained while allowing you to monitor your projects. Keep your materials in one place with various storage options below, and customize the overall dimensions to fit your space perfectly.

Pair the CNC Cart with our other high-quality furniture to equip students for a successful education!

FEATURES:

- Heavy-duty locking casters
- Sliding acrylic doors
- Grommets for power access
- MAS® Certified Green
- Limited lifetime warranty
- Made in the USA

OPTIONS:

- Customizable dimensions in 1" increments
- Base Storage
 - Locking storage cabinet
 - Open shelves
 - Tote trays
- Numerous color options

PANEL WALLS

Unlock the true potential of your square footage and redefine your space with panel walls from Interior Concepts. Our panel walls fit a range of heights, widths, and layout arrangements to meet your needs. Unlike a typical three inch panel thickness, our one inch thick panel requires less space with it's slim profile design. Build off of existing walls or configure as a free standing partition to create offices, classrooms, break out areas, or simple room dividers.

FEATURES:

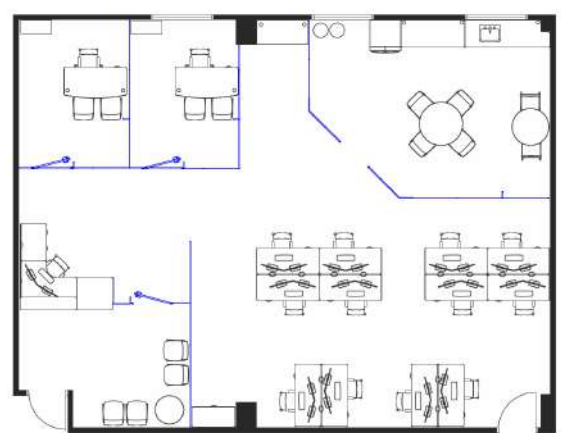

- 1" thick steel framework
- Dimensions customized by the inch
- Limited lifetime warranty
- Made in the USA
- MAS® Certified Green

OPTIONS:

- Half height or full height hollow core doors
- Laminate, TFL, Markerboard, Tackable, or Acrylic inserts
- Screen printed logo

Use panel walls to create multiple divisions in your room! Shown below, panels in blue were used to create private offices, room partitions, and a reception area all using varying configurations and panel insert styles.

ICC HAS SOLUTIONS FOR PANEL WALLS!

Panel walls may appear complex, but we make the complex simple. Interior Concepts offers panel walls that fit a range of heights, widths, and layout arrangements. Shorter panels work well for reception areas with transaction counters while full height panels function best creating partitioned rooms and private offices with full height doors.

Panel Walls are available with Laminate, TFL, Markerboard, Acrylic or Tackable Panels!

Contact your Regional Sales Manager today to see how we can help design your perfect panel wall today.

INTERIOR CONCEPTS OFFERS A VARIETY OF STATIONS TO MEET YOUR PRESENTATION NEEDS.

Contact your Regional Sales Manager today to see how we can help design your perfect station.

 **LECTERNS**

Our lecterns are the perfect fit for any space. The Influence™ Eclipse podiums are height adjustable with a fast and simple pneumatic mechanism, users choose how to use the table: seated for a work session, or standing while facilitating a presentation or gathering. The Fixed or Mobile Lectern allows speakers to move around the room all while keeping their things stored below with multiple storage options available.

These lecterns pair perfectly with our teacher desks to extend the workspace while allowing users to have a portable podium to freely move about the classroom for instruction.

FEATURES:

- Influence® Eclipse Podiums are height adjustable with pneumatic trigger handle
- 29.5" - 47"H
- 1.25" thick worksurface with HPL laminate and 3MM edge
- MAS® Certified Green
- Limited lifetime warranty
- Made in the USA

OPTIONS:

- Round, Square, and Oval work surface shapes also available
- Customizable dimensions in 1" increments
- Laminate or whiteboard worksurface
- Spill-resistant power/data desktop outlet
- Numerous color options

TRAVELER

The Traveler mobile desk by Interior Concepts will satisfy a variety of needs in the educational environment. Use the Traveler as a teacher desk that is free to move about for lectures or as an additional workstation for classroom demonstrations.

Like all other Interior Concepts products, the Traveler can be configured to meet specific requirements.

FEATURES:

- 1.25" thick worksurface with HPL laminate, balancing-backer sheet, and 3MM edge
- Locking Casters
- MAS® Certified Green
- Limited lifetime warranty
- Made in the USA

OPTIONS:

- Optional Accessories:
 - Locking Storage Drawers
 - Hanging Pedestals
 - Valet Cabinet
 - Spill-resistant power/data desktop outlet

TEACHER DESKS

As teaching methods have evolved beyond the standard classroom with students in desks and teachers lecturing, so has the educational furniture in order to incorporate group learning, flexible classrooms, and increased teacher/student interaction. With over 20 years of experience delivering quality educational solutions, our furniture has adapted to meet these 21st century demands, yet still look great and withstand years of use.

We will work with you to design a solution that meets everyone's criteria, different needs, and teaching styles. By working together, we ensure that your instructors receive exactly what works best for their environments.

Pair any desk with the Influence® adjustable podium to allow users to opt how to use the table seated for meeting with a small group, or standing while facilitating a presentation.

OPTIONS:

- Mobile or Fixed Desk
- Enclosed panels or open table legs
- Height Adjustable
- Custom work surfaces available
- Mobile Height Adjustable Podiums
- Storage
 - Mobile Pedestals
 - Center Drawer
 - Cabinets

Choose from one of our standard Teacher Desks or talk with your Sales Rep to build a custom solution that fits your needs.

▶ ELECTRIC LEG OPTION

Research shows that those who sit for most of the day are at a higher risk of health problems such as obesity, diabetes, and heart disease. Using a sit-to-stand desk can help minimize these negative effects while promoting a healthier lifestyle. Reduce neck strain, boost energy, and improve posture throughout the day by incorporating a sit-to-stand desk directly into your workspace. Suitable for desks of all sizes, switch from sitting to standing with ease at the push of a button.

FEATURES:

- Adjustment range from 29" - 47" high
 - Programmable memory heights
- Supports 36" - 84" W worksurfaces
- Quick adjustment speed at 1.4 in/second
- Low 43 dB noise level
- Designed and tested to support up to 200 lbs.
- 1.25" thick worksurface with HPL laminate, balancing-backer sheet, and 3MM edge
- MAS® Certified Green
- Limited lifetime warranty on desk
- Made in the USA

OPTIONS:

- Black or Silver base
- Incorporate the electronic sit-to-stand option into almost any desk design

Talk to your Sales Rep today to see how we can add an Electric Height Leg to your station today.

CAMPFIRE CARTS

Get comfortable and gather around the campfire! Our Campfire cart is a great addition to classrooms with smaller children. The cushions are comfortable for students to lounge on while listening to storytime or show-and-tell.

The Campfire cart is sturdy enough for adults to sit on, and the lockable casters allow it to stay in one place. These mobile carts can hold up to 12 cushions, and move around the room with ease.

FEATURES:

- Cart features HPL construction with locking casters
- Cart stores 12 cushions
- Cushion is 2" high
- Cart warranty: 5 years
- Cushion warranty: 2 years
- Made in the USA

OPTIONS:

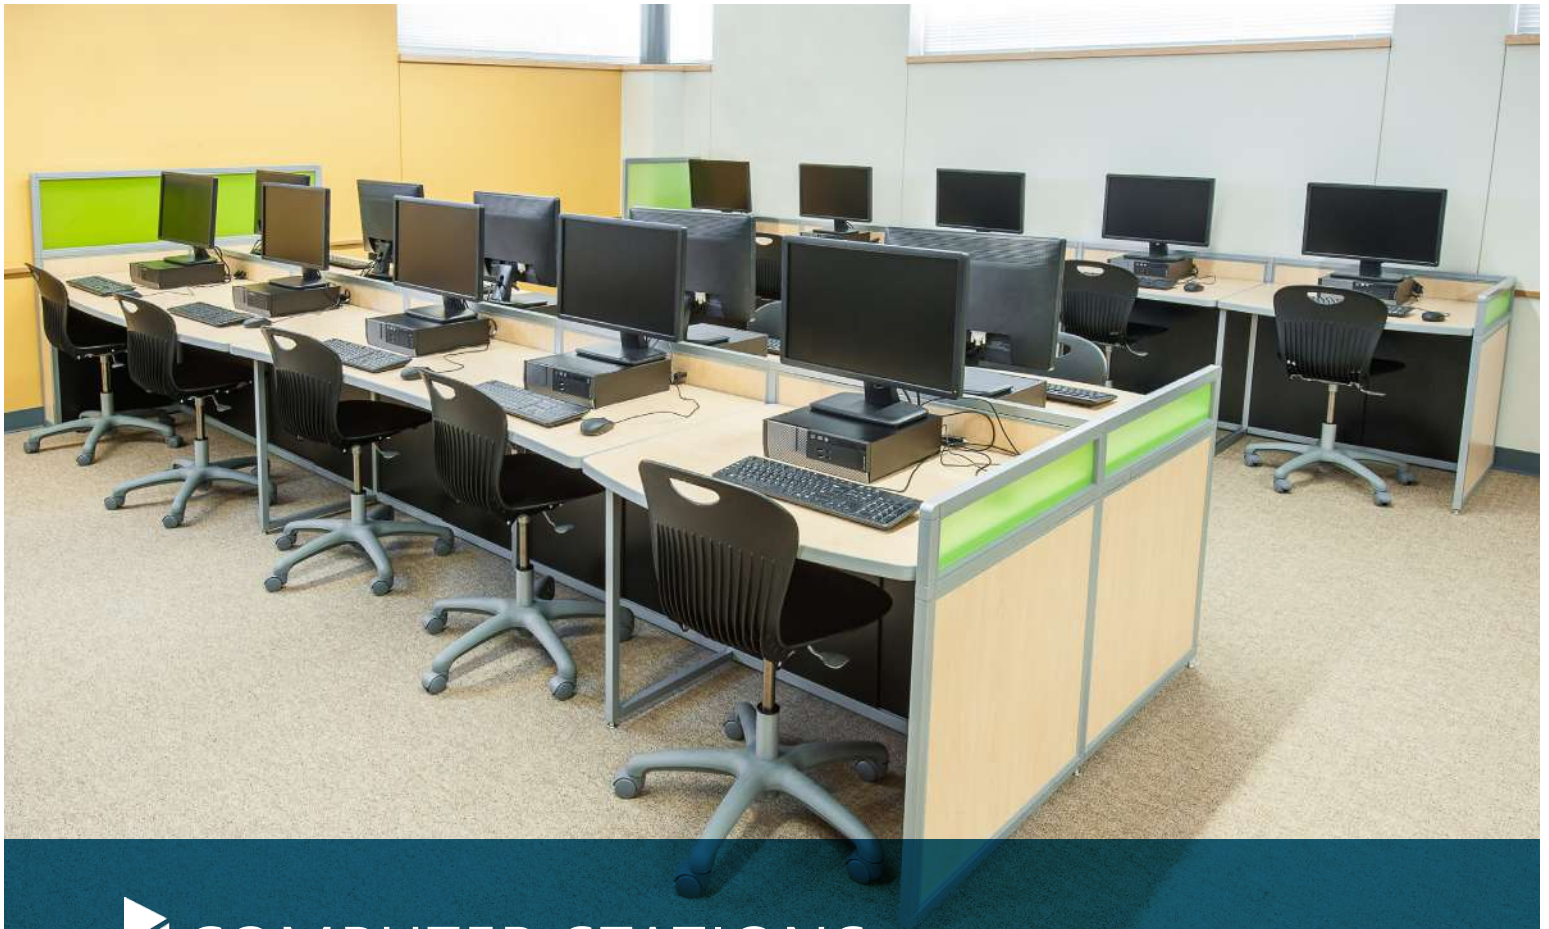

- Cushions are sold in sets of 6.
- Choose from any Interior Concepts upholstery fabric option.
- Choose from a variety of color options for the cart.

COMPUTER STATIONS

The role of computers in classrooms has evolved from basic keyboarding to technology-driven curriculum. Day to day, classes such as Industrial Design, Animation, Engineering, and Esports employ robust software packages necessary for learning. These technology rich computer labs require workstations to comfortably accommodate students and their equipment. Workstation dimensions are built to the inch allowing for varying levels of privacy or collaboration

IT departments appreciate the optional Chase™ Wire Management System with its ability to help simplify equipment connections. Cables and wire are kept out of sight behind sliding doors and optional built in power makes powering runs of stations a breeze.

FEATURES:

- 1.25" thick worksurface with HPL laminate, balancing-backer sheet, and 3MM edge
- Limited lifetime warranty
- Made in the USA
- MAS® Certified Green

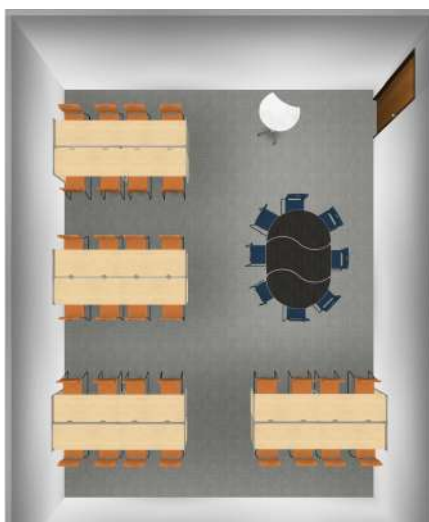

OPTIONS:

- Built-in Chase™ Wire Management• Station dimensions/ worksurface heights are customizable by the inch
- 8-Wire electrical and desktop power
- CPU brackets, monitor arms, and keyboard trays
- Numerous color options

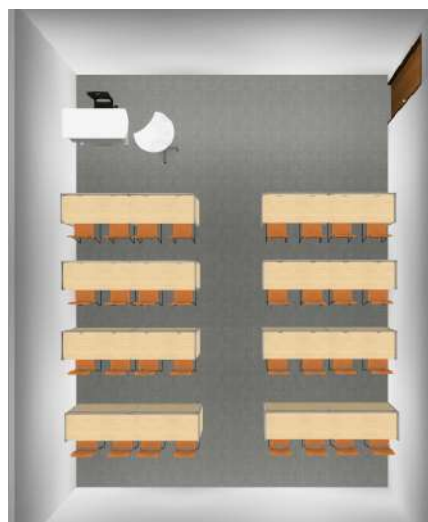

There are many ways to configure your room; choose a more traditional layout or create something totally your own!

ESPTS

Esports offers a unique, exciting way to reach young individuals and unlock their potential. Interior Concepts specializes in custom gaming labs, furniture and storage. We work hand in hand with educators to help make their vision for their students possible.

Through grants that put esports programs in schools, students gain access to technology that otherwise they would not have. Just having this exposure can open a pathway for many students into the exciting world of technology related careers.

The esports environment plays a huge role in creating a successful program and with every school having unique specifications, our expert design team is ready to assist!

MOTION TABLES

Motion Tables give you the flexibility to create different room layouts effortlessly. With our rectangular table as your starting point, you can go from classic classroom, to small groups, to U-shaped group discussions. Your layouts are free to adapt from day to day, and the flexibility will last for years, as our tables are backed by a limited lifetime warranty.

LEG COLOR OPTIONS

GREY

PLATINUM

DARK BROWN

CHARCOAL

FEATURES:

- 1.25" thick worksurface with HPL laminate, balancing-backer sheet, and 3MM edge
- Available in matching frame finishes
 - *Additional Colors available on select legs only*
- Limited lifetime warranty
- Made in the USA
- MAS® Certified Green

OPTIONS:

- Dimensions are customizable by the inch
- Choose from a variety of worksurface shapes:
 - Rectangle, Round, Square, Half Round
- Choose from a variety of leg styles:
 - Post, T-Leg, Slim Post, H-Leg
- Markerboard worksurfaces
- Adjustable height worksurfaces
- Flip-Top for space saving

ADJUSTABLE HEIGHT OPTION

With a simple pin-clip system, users can adjust the table height without a single tool. Available in two height-range options, tables can easily accommodate different age groups or work purposes while maintaining a unified aesthetic. Simply lock in the desired height, and everyone is back in business.

**Flip top option available for tables with 26" - 35" height adjustment ranges*

T-LEG HEIGHT RANGE OPTIONS

- 26"–35"
- 29"–42"

SLIM POST HEIGHT-RANGE

- 24"–35"

**Post leg option available without flip-top feature*

FLIP-TOP OPTION

Classrooms, training rooms, breakrooms and multi-purpose rooms are inherently dynamic spaces. Our Motion flip-top tables are designed to adapt to these constantly evolving environments. With a durable quick-release handle, the flip-top worksurface rotates and locks vertically, allowing for space saving nesting.

These versatile tables accommodate rooms with diverse functions and group sizes, as well as situations where tables need to be easily moved between rooms.

MARKERBOARD OPTION

Add a markerboard worksurface to any table to enhance the learning experience! Students are free to brainstorm ideas and problem solve with classmates, turning static lectures into an engaging experience.

When not in use, flip the table to the nesting position and the table quickly transforms into an announcement board or additional teaching surface.

INFLUENCE® TABLES

The pneumatic counterbalance adjustment on the Interior Concepts Influence® tables is by far the easiest height-adjustable option available without the need for power. Simply pull the trigger handle to adjust: sit-to-stand has never been so easy!

Standing has been shown to improve circulation, promote creativity, and make tasks easier to accomplish. Easily go from sitting to standing with our Influence® tables.

FEATURES:

- Dimensions: 24" - 36"D x 48" - 72"W
- Height adjustable
 - Glides: 27.5" - 47"H
 - Casters: 29.5" - 49"H
- Lift capacity: 40 lbs. (approximate)
- 1.25" thick worksurface with HPL laminate, balancing-backer sheet, and 3MM edge
- Metal-to-metal connection from leg to worksurface
- MAS® Certified Green
- Limited lifetime warranty
- Made in the USA

OPTIONS:

- Each table includes glides and casters
- Numerous laminate top color options
- Black or Silver metal base color

TILT & FLIP PODIUM TABLES

This versatile podium is designed to adapt to the way you work and present. Featuring three locking worksurface positions: flat for everyday tasks, angled for lectures and presentations, and fully vertical for compact storage, it easily transitions to suit your needs. A height adjustable base accommodates a range of working heights while casters provide effortless mobility from place to place.

FEATURES:

- Worksurface positions: 0°, 45°, and 90°
 - Paddle release with lock
- Height adjustable
 - 29" - 41"H
- Lift capacity: 40 lbs. (approximate)
- 1.25" thick worksurface with HPL laminate, balancing-backer sheet, and 3MM edge
- Metal-to-metal connection from leg to worksurface
- MAS® Certified Green
- Limited lifetime warranty
- Made in the USA

OPTIONS:

- Round, Square, and Eclipse worksurface shapes
- Numerous laminate top color options
- Silver leg finish

TRAPEZIOD TABLES

Trapezoid tables allow for a change of pace in the classroom to keep students engaged and learning. Layouts are free to adapt from one day to the next with the flexibility of these tables. Encourage creativity in the classroom with whiteboard worksurface, allowing users to jot down and share ideas.

FEATURES:

- Promotes collaboration and creativity
- Use as single table, or in groupings
- Standard dimensions
 - 24", or 30" deep
 - 48", 54", or " wide
- Post Legs
- Metal-to-metal connection from leg to worksurface
- MAS® Certified Green
- Limited lifetime warranty
- Made in the USA

OPTIONS:

- Fixed 29"H worksurface, or optional easy push-pin height adjustment from 26"–35"H
- Laminate or whiteboard worksurface
- Glides or casters
- Spill-resistant power/data desktop outlet
- Numerous color options

▶ WAVE TABLES

Wave goodbye to static classrooms by adding some movement with our Wave table. These tables feature a soft curve on either side offering a bit more fun than traditional rectangle tables. Flexible classrooms are achieved with this table which works well alone, in pairs, or in larger runs to create groups. Choose from a variety of standard sizes to best suit your needs.

FEATURES:

- Promotes collaboration and creativity
- Use as single table, or in groupings
- Standard dimensions
 - 24", 30", or 36" deep
 - 48", 60", or 72" wide
- Metal-to-metal connection from leg to worksurface
- MAS® Certified Green
- Limited lifetime warranty
- Made in the USA

OPTIONS:

- Fixed 29"H worksurface, or optional easy push-pin height adjustment from 26"–35"H
- Post or T-Legs
- Laminate or whiteboard worksurface
- Glides or casters
- Spill-resistant power/data desktop outlet
- Numerous color options

▶ COLLABORATION TABLES

This sprocket shaped collaboration table promotes teamwork and comfortably sits 3-6 people; or multiple tables can be grouped together for larger collaborations.

Creativity in the classroom or multi purpose area can also be encouraged with whiteboard worksurface, allowing users to write down and share ideas or solve complex problems.

FEATURES:

- Promotes collaboration and creativity
- Use as single table or in groupings up to 6
- Overall Size: 69"D x 60"W with 24" ends
- 1.25" thick worksurface with HPL laminate, balancing-backer sheet, and 3MM edge
- Metal-to-metal connection from leg to worksurface
- MAS® Certified Green
- Limited lifetime warranty
- Made in the USA

OPTIONS:

- Laminate or whiteboard worksurface
- Glides or casters
- Fixed 29"H worksurface, or optional easy push-pin height adjustment from 26"–35"H
- Numerous color options

▶ AMOEBA TABLE

Go with the flow and follow the curves around our Amoeba table. This table, with its fun shape, will engage and inspire any learner in the classroom. Up to 3 users can comfortably fit around this table for collaborative work or can be used by a solo user for independent work.

Choose from a variety of leg and worksurface colors to create a unique learning environment.

FEATURES:

- Promotes collaboration and creativity
- Overall Size: 48"D x 65"W
- 1.25" thick worksurface with HPL laminate, balancing-backer sheet, and 3MM edge
- Metal-to-metal connection from leg to worksurface
- MAS® Certified Green
- Limited lifetime warranty
- Made in the USA

OPTIONS:

- Laminate or whiteboard worksurface
- Glides or casters
- Fixed 29"H worksurface, or optional easy push-pin height adjustment from 26"–35"H
- Numerous color options

▶ BALANCE & HARMONY TABLES

Across various subjects, classrooms have evolved into flexible spaces. Instruction shifts from lecture to small group and hands on learning countless times throughout the day. Balance and Harmony tables create an interactive learning space that works well for small groups and project based learning. These tables can be configured in multiple arrangements to fit any space!

FEATURES:

- Promotes collaboration and creativity
- Use as single table or in groupings
- Overall Size
 - Balance: 36"D x 60"W
 - Harmony: 42"D x 60"W
- 1.25" thick worksurface with HPL laminate, balancing-backer sheet, and 3MM edge
- Metal-to-metal connection from leg to worksurface
- MAS® Certified Green
- Limited lifetime warranty
- Made in the USA

OPTIONS:

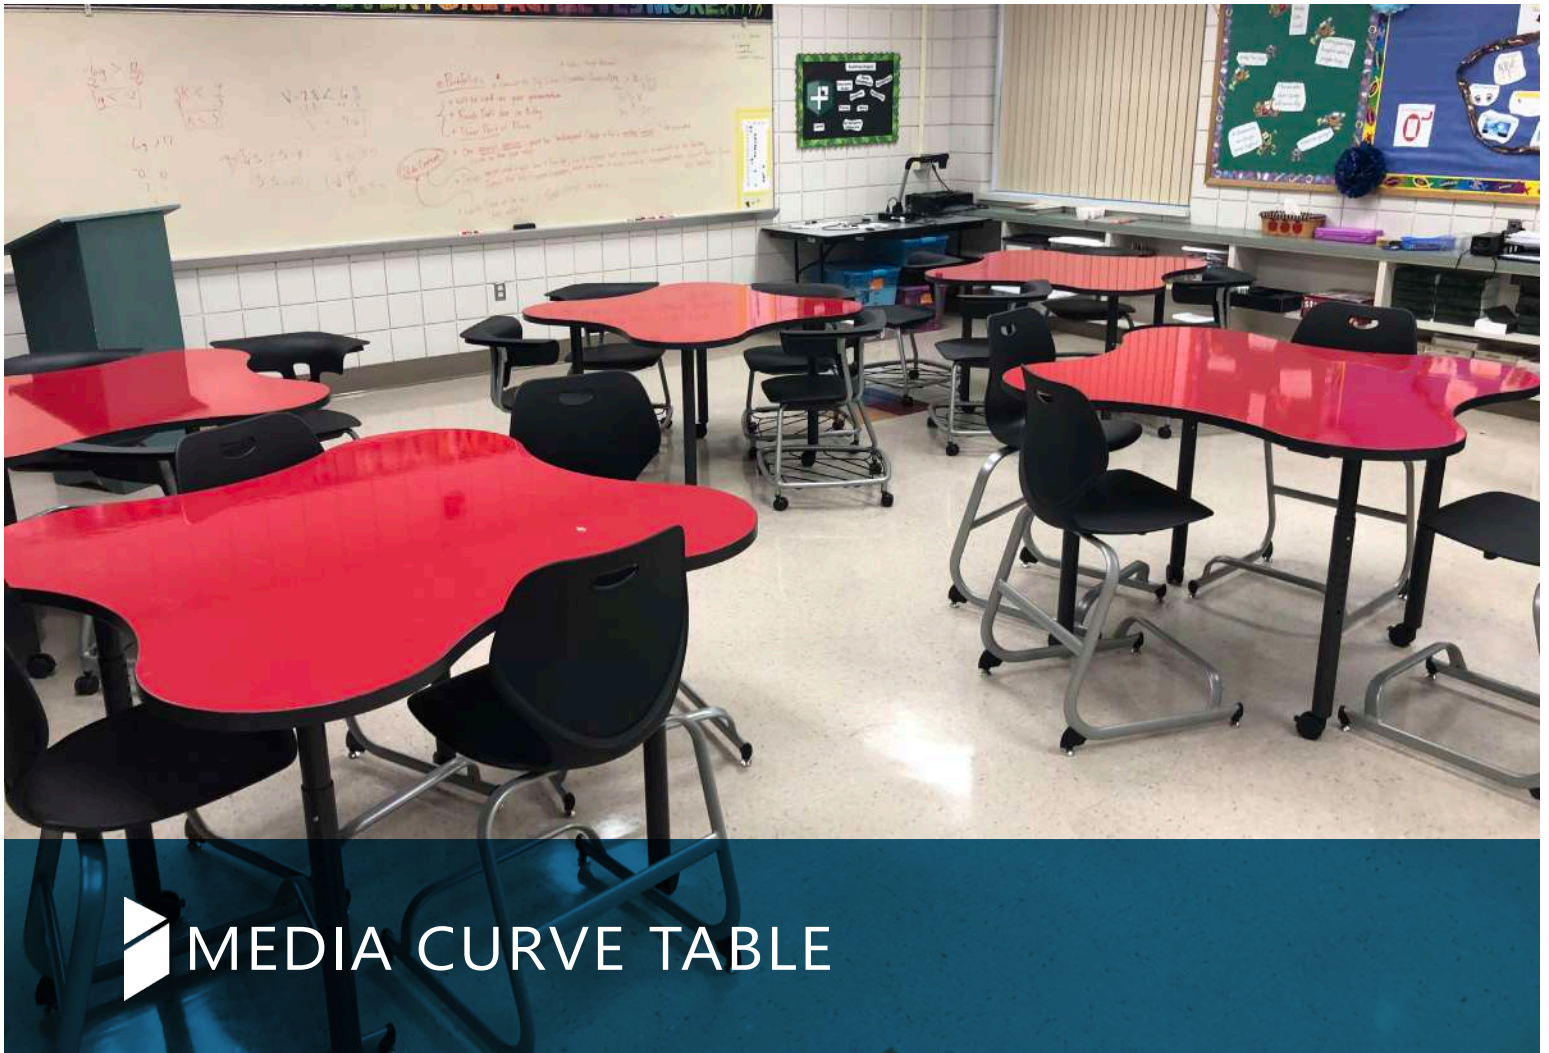

- Laminate or whiteboard worksurface
- Glides or casters
- Fixed 29"H worksurface, or optional easy push-pin height adjustment from 26"–35"H
- Numerous color options

▶ MEDIA CURVE TABLE

Curve tables will help create an interactive and engaging learning space that works well for small groups and interactive project based learning. These tables are a popular addition to Makerspaces and STEM labs where students learn through exploration by playing, building, and experimenting with technology.

FEATURES:

- Promotes collaboration and creativity
- Overall Size: 48"D x 48"W or 60"D x 60"W
- 1.25" thick worksurface with HPL laminate, balancing-backer sheet, and 3MM edge
- Metal-to-metal connection from leg to worksurface
- MAS® Certified Green
- Limited lifetime warranty
- Made in the USA

OPTIONS:

- Laminate or whiteboard worksurface
- Glides or casters
- Fixed 29"H worksurface, or optional easy push-pin height adjustment from 26"–35"H
- Numerous color options

TANGENT TABLES

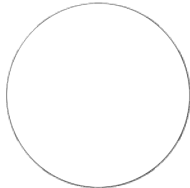

Sporting unique leg color options, the Tangent table is indeed a different line of thought and makes a unique statement in any room. So go off on a tangent — and create fun collaborative tables that accent your space. Use them here and there, or everywhere! Choose from five metal leg colors that are unique to this table line.

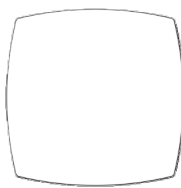

EGG

GUITAR PICK

CIRCLE

SQUIRCLE

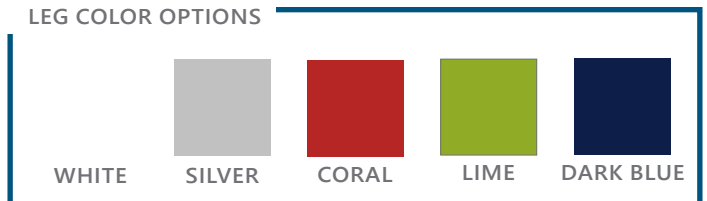

FEATURES:

- 1.25" thick HPL worksurface with 3MM PVC edgeband
- Steel leg base with adjustable height leveling glide
- Table legs include wire management
- Minimal assembly required
- Limited lifetime warranty
- MAS® Certified Green
- Made in the USA

OPTIONS:

- Four shapes: Egg, Guitar Pick, Circle, and Squircle
- Three table heights: 30", 36", and 42"
- Power: Node or AxilZ

PEDESTAL BASE TABLES

This low profile base eliminates the worry of table legs getting in the way, allowing for everyone to gather comfortably around the table. Use as a single leg or pair legs together to support larger rectangular shaped tops.

FEATURES:

- 1.25" thick worksurface with HPL laminate, balancing-backer sheet, and 3MM edge
- Available in matching frame finishes
- Limited lifetime warranty
- Made in the USA
- MAS® Certified Green

OPTIONS:

- Fixed 29"H OR 42"H worksurface
- Laminate or whiteboard worksurface

HEAVY DUTY TABLES

The Heavy Duty Table provides a perfect solution for use in CTE environments. With multiple worksurface options and two leg styles, this multipurpose table stands strong against students and heavy equipment usage.

Choose from glides or use this table anywhere by choosing our mobile caster option. These flexible tables will fit your needs and encourage collaboration and creativity within the classroom.

FEATURES:

- 500 lb Capacity
- MAS® Certified Green
- Limited lifetime warranty
- Made in the USA

OPTIONS:

- Two table heights: 29", and 36"
- Three table widths: 48", 60", and 72"
- Glides or Locking Casters
- Worksurfaces Options
 - Laminate
 - Maple Butcher Block
 - Markerboard
 - Trespa
 - Stainless Steel

CONFERENCE TABLES

Meeting areas should complement your organization's culture. Design the perfect meeting space for your conference, huddle, or planning rooms with Interior Concepts. Choose from a variety of bases, colors, and shapes to make your table complement or accent the look of your organization. It's all up to you.

Select from a range of table shapes or multi-use tables that can be grouped together. Add power to charge electronics and choose from an array of color selections to make your conference table design match the rest of your environment – or pick something different for a great accent.

FEATURES:

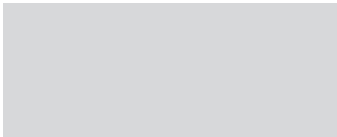

- 1.25" thick worksurface with HPL laminate, balancing-backer sheet, and 3MM edge
- Limited lifetime warranty
- Made in the USA
- MAS® Certified Green

OPTIONS:

- Customizable dimensions
- Panel base or table legs
- Integrated power
 - Standard outlets / USB / HDMI / Data
- Numerous color options

Choose from one of our standard worksurface shapes and customize as needed to fit your space.
